

Rosie Lalonde

Race Report

After five rounds of the Australian Off Road Championship series have been completed, Rosie Lalonde currently sits in a comfortable third position in the Championship Women's class. Finishing 2nd in the Women's class in the 2006 Australian Off Road Nationals series, she is determined to repeat her podium performance this year. Coming up are the 7th and 8th rounds of the AORC's, which is to be held on May 19 - 20 at Conondale, QLD, and where Rosie is hoping to continue chasing her older sister Leigh, 2nd overall and Alison Parker, 1st overall. Rosie states that;

"The AORC's this year have been really good so far. The competition in the Women's class has definately picked up and its great to see up to 5 or 6 girls at the rounds. I have been having a lot of fun racing against my sister Leigh and since the tracks have each been different and challenging, it's been a great year so far!"

In the New South Wales State series', Rosie has had a brilliant start to the year, taking her first ever State win at the opening Sprint rounds at Gwandalan. She also took top honors once again at the first NSW Enduro rounds held last weekend, May 5 & 6, at Wattle Flat.

As for the rest of the season, she is looking forward to finishing both the AORC series, as well as the NSW State Sprint and Enduro Series.

Rosie would like to thank all of her sponsors, Mud Honey MX Clothing, Yamaha Australia, Aus-Can Products, Incite Graphics and Gold Medal Muscle Rub.
